GOAT: BEYOND THE GAME

Lesson One – Finding Your Roar

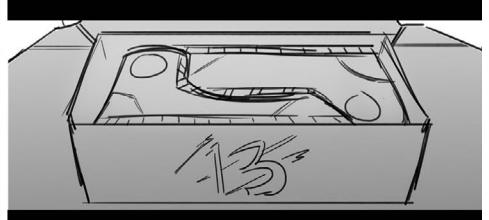

STORYBOARDS

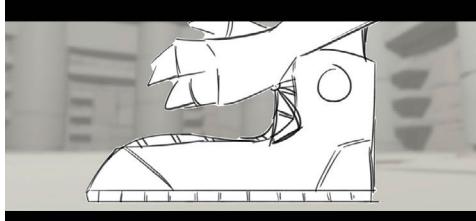

Will is starting his first game with the Thorns, "No way. The Thorns' locker room. YES!"

He can't believe he gets his own jersey, "Woah my name on a Thorns jersey."

And his very own pair of Roarball shoes, "Oh wait, Fillmore 13s!"

Will ties his shoes and gears up for the game.

He straightens out his jersey. He is ready to play, "Not bad, right?"

His mom always told him to dream BIG and one day he would change the game!
